SB 78 APPENDIX

This SB 78 Appendix contains the provisions required for compliance with Public Contract Code ("PCC"), part 2.5, enacted under Senate Bill 78 (Stats. 2011, ch. 10), and the Judicial Branch Contracting Manual ("JBCM") adopted pursuant to that law. In this appendix, (i) "Agreement" refers to the agreement into which this appendix is incorporated, (ii) "JBE" refers to the California judicial branch entity that is a party to the Agreement, (iii) "Contractor" refers to the other party to the Agreement, and (iv) "Consulting Services" refers to those services described in chapter 8, appendix C, section 1 of the JBCM.

1. Contractor Certification Clauses. Contractor certifies that the following representations and warranties are true. Contractor shall cause these representations and warranties to remain true during the term of this Agreement, and Contractor shall promptly notify the JBE if any representation and warranty becomes untrue.

1.1. Non-discrimination. Contractor complies with the federal Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and California's Fair Employment and Housing Act (Government Code section 12990 et seq.) and associated regulations (Code of Regulations, title 2, section 7285 et seq.). Contractor does not unlawfully discriminate against any employee or applicant for employment because of age (40 and over), ancestry, color, creed, disability (mental or physical) including HIV and AIDS, marital or domestic partner status, medical condition (including cancer and genetic characteristics), national origin, race, religion, request for family and medical care leave, sex (including gender and gender identity), and sexual orientation. Contractor has notified in writing each labor organization with which Contractor has a collective bargaining or other agreement of Contractor's obligations of non-discrimination.

1.2. National Labor Relations Board. No more than one, final unappealable finding of contempt of court by a federal court has been issued against Contractor within the immediately preceding two-year period because of Contractor's failure to comply with an order of a federal court requiring Contractor to comply with an order of the National Labor Relations Board. Contractor swears under penalty of perjury that this representation is true.

1.3. Not an Expatriate Corporation. Contractor is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of PCC 10286.1, and is eligible to contract with the JBE.

2. Budget Contingency. The JBE's obligations under this Agreement are subject to the availability of applicable funds. Expected or actual funding may be withdrawn, reduced, or limited prior to the expiration or other termination of this Agreement. Funding beyond the initial appropriation year is conditioned upon appropriation of sufficient funds to support the activities described in this Agreement. Upon notice, the JBE may terminate this Agreement in whole or in part, without prejudice to any right or remedy of the JBE, for lack of appropriation of funds. Upon termination, the JBE will pay Contractor for the fair value of work satisfactorily performed prior to the termination, not to exceed the total Agreement amount.

3. Independent Contractor Status. Contractor is an independent contractor to the JBE. No employer-employee, partnership, joint venture, or agency relationship exists between Contractor or its personnel and the JBE. Nothing Contractor does, or fails to do, in the performance of this Agreement will make Contractor or its personnel an employee of the JBE. The JBE will not provide to Contractor or its personnel the benefits that the JBE provides its employees.

4. Provisions Applicable Only to Certain Agreements. The provisions in this section are applicable only to the types of agreements specified in the title of each subsection. If the Agreement is not of the type described in the title of a subsection, then that subsection does not apply to the Agreement.

4.1. Agreements over \$10,000. This Agreement is subject to examinations and audit by the State Auditor for a period three years after final payment.

4.2. Agreements over \$50,000. Contractor will not assist, promote or deter union organizing by employees performing work on a service contract; (ii) no JBE funds received under this Agreement will be

used to assist, promote or deter union organizing; (iii) Contractor will not, for any business conducted under this agreement, use any JBE property to hold meetings with employees or supervisors, if the purpose of such meetings is to assist, promote or deter union organizing, unless the JBE property is equally available to the general public for holding meetings; and (iv) if Contractor incurs costs, or makes expenditures to assist, promote or deter union organizing, Contractor will maintain records sufficient to show that no JBE funds were used for those expenditures. Contractor will provide those records to the Attorney General upon request.

4.3. Agreements of \$100,000 or More. Contractor certifies that it is, and will remain for the term of the Agreement, in compliance with PCC 10295.3, which, subject to specified exceptions, generally prohibits discrimination in the provision of benefits between employees with spouses and employees with domestic partners, or discrimination between employees with spouses or domestic partners of a different sex and employees with spouses or domestic partners of the same sex, or discrimination between same-sex and different-sex domestic partners of employees or between same-sex and different-sex spouses of employees. Contractor recognizes the importance of child and family support obligations and fully complies with (and will continue to comply with during the term of this Agreement) all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Family Code section 5200 et seq. Contractor provides the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

4.4. Agreements for Services over \$200,000 (Excluding Consulting Services). Contractor shall give priority consideration in filling vacancies in positions funded by this Agreement to qualified recipients of aid under Welfare and Institutions Code section 11200 in accordance with PCC 10353.

4.5. Agreements that are Federally Funded. It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made. This Agreement is valid and enforceable only if sufficient funds are made available to the JBE by the United State Government for the fiscal year in which they are due and consistent with any stated programmatic purpose, and this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner. The parties mutually agree that if the Congress does not appropriate sufficient funds for any program under which this Agreement is intended to be paid, this Agreement shall be deemed amended without any further action of the parties to reflect any reduction in funds. The parties may invalidate this Agreement under the termination for convenience or cancellation clause (providing for no more than 30 days' notice of termination or cancellation), or amend this Agreement to reflect any reduction in funds. Exemptions from the above requirements may be granted if the JBE can certify in writing that federal funds are available for the term of this Agreement.

4.6. Agreements Resulting from Competitive Solicitations. Contractor shall assign to the JBE all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the JBE. Such assignment shall be made and become effective at the time the JBE tenders final payment to the Contractor. If the JBE receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, the Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the JBE any portion of the recovery, including treble damages, attributable to overcharges that were paid by the Contractor but were not paid by the JBE as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by the Contractor, the JBE shall, within one year from such demand, reassign the cause of action assigned under this part if the Contractor has been or may have been injured by the violation of law for which the cause of action arose and (a) the JBE has not been injured thereby, or (b) the JBE declines to file a court action for the cause of action.

4.7. Agreements Allowing for Reimbursement of Contractor's Costs. Contractor must include with any request for reimbursement from the JBE a certification that the Contractor is not seeking reimbursement for costs incurred to assist, promote, or deter union organizing. If Contractor incurs costs, or makes expenditures to assist, promote or deter union organizing, Contractor will maintain records sufficient to show that no reimbursement from the JBE was sought for these costs, and Contractor will provide those records to the Attorney General upon request.

4.8. Agreements Performed in California by Contractors that are Corporations, LLCs, or LPs. Contractor is, and will remain for the term of the Agreement, qualified to do business and in good standing in California.

4.9. Agreements with Contractors that Have Employees. Contractor must maintain during the term of this Agreement workers' compensation coverage to meet minimum requirements of the California Labor Code, and it must provide coverage for employer's liability bodily injury at minimum limits of \$1 million per accident or disease.
